

WAYS OF MAKING YOUR PAYMENTS TO CIM

You have a wider choice in selecting how you can pay your CIM registration fees, exam fees, annual subscription etc.

- The most conventional method would be to pay by a bank draft. In this instance, you need to draw an international bank draft in favour of “The Chartered Institute of Marketing” and handover to our regional office along with your application.
- If you wish to do a direct debit transfer, you may mention your credit/ debit card number in the payment advice in the application form itself.
- If you wish to pay online, you may visit the CIM, UK website (www.cim.co.uk) and pay your fees using your credit/debit card.
- If you wish to make your payments in local currency, you may make the payment to your closest HSBC bank and handover your application along with the payment confirmation slip, received from the bank. Please call our regional office for the account number of The Institute and the relevant exchange rate.
- You also have the convenience of making your payment by credit card at our regional office. This involves an additional 3% handling charge.
- If you are a HSBC or AMEX card holder you also have the privilege of availing yourself of our 0% interest, 6 month, extended settlement plan, which enables you to make the payments in instalments.
- Our new *Education Loan Scheme* is a loan facility granted in 24 hours without any security or collateral up to 6-8 times of your/your parent’s monthly net salary. You can choose to repay your loan in 6, 12, or even 18 months in equal monthly instalments at fixed interest rates.
